DISCOVERY LAND

**DISCOVER
ETERNAL
TREASURES**

Discovery Land is a fun, safe, energetic, and interactive learning environment for children ages 6 weeks through 6th grade. Our goal is to challenge kids to "discover eternal treasures" through hands-on learning experiences kids can relate to. We partner with families to connect with God and one another. My prayer is that your children have an incredible time discovering the truth of the Bible as they make life-changing decisions to impact their lives for eternity.

Looking forward to watching God work this year,

Kirby Bernauer, Director of Discovery Land

DISCOVERY LAND

- includes Sundays and Awana,
- two ministries that work alongside parents to help kids grow in the grace and knowledge of our Lord and Savior, Jesus Christ.

Sunday Classes

During Sunday services at 8:00, 9:30, and 11:00 a.m.

Life application, hands-on learning, and Bible knowledge will capture your child's attention as they grow in their relationship with God and one another! Parents may register their kids by stopping by the Discovery Land Desk prior to Sunday services.

Kids in Preschool-6th grade are given a take-home paper so your family can continue to grow and apply Sunday's truth throughout the week.

Awana Tuesdays

Tuesday evenings from 6:30-8:15 p.m.

Awana is a fun-filled program that challenges kids to memorize Scripture and apply it to their lives.

Awana is for kids in Preschool-6th grade. Kids in K-6th grade may attend at any time, while Preschool registration is only open in the summer.

Keeping Kids Safe

We believe it is our responsibility to serve children and families with excellence in a safe environment. Our volunteers complete a ministry application which requires references, a nationwide background check, and their personal story of faith. In addition to screening our volunteers, all kids Preschool and under, and their parent, receive matching wristbands upon check-in. The person wearing the matching wristband is the ONLY person allowed to check their child out of class.

Children's Library

The library is open on Sundays after each service allowing families to check out quality materials.
