

## Discovery Land is coming to [your church name] this fall!

[Your church name] Families,

We are so excited for a brand NEW Sunday School program, coming in [start date here]! We will be teaching our kids to Know, Think, Do, and Feel Right according to God's Word, and it's going to be a TON of fun!

Here's how your family can be involved:

### Pray

1. Pray for all of the volunteers needed! Pray that God will bring us passionate volunteers who are excited to invest in kids. Each class will need a Lead Teacher, a Discover Time Leader, and a Shepherd. Kids...please pray specifically for the leaders for your classroom!
2. For our needs to be met: we will need lots of fun supplies for our Discover Times. Please pray that God will help us find what we need.

### Give

We will need LEGO® bricks! Kids...this is a chance to give back to God by tithing your own LEGO bricks. Also, if you know a source where we can purchase some inexpensively, please let us know.

### Serve

We need classroom teachers, DT leaders, and shepherds, and there will also be some unique ways to serve in DL like set up, clean up, building cool games, puppets, music, making food...if you're family want to be involved, please contact me at [phone/email].

We look forward to watching God work through this new adventure!

[Director name], Director of Discovery Land – [your church name]
