Topical Lesson:  
Getting to Know the Book of Psalms

## Hey parents!

In the book of Psalms, God's people passionately and expressively communicated to Him. But no matter what they were feeling, they always went back to their trust in God and their desire to worship and obey Him. Do we bring our feelings to God during good and difficult seasons of life? God is waiting to hear from us with tears of joy or pain. He loves us more than we can imagine, and because of this, we can fully trust Him.

## Take the Family Challenge

Have a worship celebration in your living room. Gather instruments from around your house and play joyfully to the Lord. If you do not have instruments, play worship music on your device, then sing, dance and worship God.
