### Top 12 – Finish the verse

**Purpose:** To introduce and fine tune the Top 12 verses.

*Repetition of verses is key for children learning the verses. Note: at the beginning of the quarter, children will listen to almost the full verse before they get to fill in the blank. As the quarter progresses, move the fill-in blank earlier in the verse. Children have been learning these verses starting at age 2.*

# Pre-Service Review Game

Year 3 – Quarter 3

## Crazy Cubes

### Supplies:

- 3 square boxes made into dice:
  - Box #1 should have different Wordless Book colors
  - Box #2 should have numbers 1-6 on the sides
  - Box #3 should have an action on each side (examples: spin in a circle, jumping jacks, run in place, hop on one foot, high marching, flapping arms, skip in place, wiggle fingers, clap hands, etc.)

### Optional: After a few weeks, switch Box #2 and Box #3 to the following:

- Box #2 - *Animals*: pretend to be a lion, eagle, frog, fish, dog, cat, etc.
- Box #3 - *Categories*: girls, boys, ages (3, 4, or 5 years old), room colors, etc.

### Instructions:

1. Have children sit according to rooms.
2. The leader will ask a Lesson Review Question or an On Track Map question.
3. If a child answers correctly, have them come up and roll Box #2 and #3. The full group should do what it says (for example: run in place for two seconds, hop on one foot four times).
4. Occasionally roll Box #1 and ask a Wordless Book question related to the color.

# Bonus Mission Lessons

An option for classes that visit the Mission Station twice

## Option A: Around the World

### Supplies:

- Wagon
- Four Wordless Books
- Globe
- Four suitcases, each filled with items representing a different country, such as pictures, food, objects from the country, picture of missionaries from the specific country (suitcases should be placed around your classroom or your children's ministry space in advance)

### Instructions for the DT Leader:

1. Travel as a group to each suitcase/destination while pulling a wagon with a globe and Wordless Books.
2. Before you begin to travel, show the children on the globe the destination you will be traveling to.
3. When you arrive at each destination, discuss what is in the suitcase and talk about the importance of telling the people about Jesus.
4. Before leaving the destination, the class will leave a Wordless Book for the missionaries of the country, so they can tell others about Jesus.
5. Continue to each destination.

## Option B: Be a Missionary!

**Goal:** To help children learn the basics of what a missionary does.

### Supplies:

- Wordless Book, cross, and map
- Items to create three stations (see details below)

### What is a missionary?

A missionary is a Christian who is willing to go anywhere (*point to several locations*), at any time (*point to your wrist like a watch*), for Jesus Christ (*point straight up to heaven*). Have children repeat this statement several times and see how fast they can follow the hand motions.

### What does this mean?

They want everyone to know about Jesus (*hold up the Wordless Book and a cross*) and they are willing to go anywhere in this whole world to bring the Good News of Jesus to them. *Point to the map, and highlight different locations around the world.*

### Where do people need to hear about Jesus?

- People in the villages of Africa
- People in the jungles of South America
- Children in Asia who don't have homes
- People all around the world who need Jesus

### What do missionaries do?

Missionaries do all kinds of different things like fix airplanes, build and start churches, and help take care of children who don't have homes. There are many ways to be missionaries around the world.

### What type of a missionary would you like to be?

Have children each pick one station and a leader will guide the conversations as they pretend to be a missionary. Lead Teacher, DT Leader, and Shepherd should read and understand the entire Mission Lesson so they can each be a helper at a station.

### Aviation

#### Supplies:

- Simple toy airplanes (Playmobil 5395 City Action passenger plane; one for every four children)
- Mini boxes labeled "Bibles"

- Mini food or mini boxes labeled “Food”
- Take off strip (home base)
- Landing strip (in a small jungle)

Children will work as a team loading an airplane that will go and drop off food and Bibles to people in the jungle. Have the children carefully load the plane, pray, and then make the trip to the jungle. Children should fly their plane and gently land it on the airstrip. When they arrive, the plane should be unloaded, and the Bibles and food should be given to those in the jungle. After the mission is done, fly back to the home base and repeat several times.

## **Church Planters**

### **Supplies:**

- Blocks
- Small action figures or LEGO people
- Mini Bibles (small squares of black paper folded in half to look like a mini Bible; size should be comparable to the small people)

Children will build a church with blocks for the people in a remote village. After the church is built, they will have some action figures invite others to attend and hold their first worship service or children’s class. Children should build the church, invite people to church, pass out Bibles, and have a church service by singing one of their favorite songs about Jesus.

## **Orphanage**

### **Supplies:**

- Dolls (one for every two children)
- Small beds (made from boxes)
- Small blankets
- Pretend food and baby bottles

Children will be asked to care for the children in an orphanage. Pretend to feed the children, rock babies, sing songs about Jesus to them, and care for them.

**Conclusion:** Missionaries are very special people. God has called them to go and tell the world about Jesus. Maybe someday God will ask you to fly an airplane, build a church, or love and care for babies as a way for others to know Jesus.

## **Option C: God Loves the World**

### **Supplies:**

- Shape magnets
- Magnetic wall
- Painter’s tape (use to outline the words “God loves the world” on the magnetic wall)
- Bell

*Alternate supplies: Instead of using magnets, use paper to create posters of “God loves the world” and individual letters and/or words to create John 3:16.*

### **Instructions:**

1. When children arrive, have them sit in front of the magnetic wall.
2. Read the statement on the wall, “God loves the world.”
3. Have the children read it back to you several times.
4. Tell children this reminds you of a verse in our Bible, John 3:16. Recite the verse together.
5. Challenge children to fill in the letters with shapes.
6. Whenever the bell rings (every minute), children should freeze and say, “God loves the world!”
7. Once the letters are filled in or time is up, have children stop and pray for the children of the world.

# Bulletin Boards

## **Option 1: Jesus Loves Me**

Bright spring colors (or Wordless Book colors) with the words, “Jesus Loves Me!” If possible, post pictures of children in your class or a class photo on the board.

## **Option 2: Spring Flowers**

Create two flowers with long, thick green ribbons attached as stems. Attach the flowers to the bulletin board very close to the bottom of the ribbons. Each week allow the flowers to “grow” by moving the flower farther up the bulletin board as children grow in God’s Word (2 Peter 3:18a).

## **Option 3: Wordless Book**

Print the Giant Wordless Book Matching game on 8.5” x 11” cardstock (see appendix). Hang cards backwards on the bulletin board. After a child answers a review question, allow them to choose a card to flip over. Continue until a match is found, then celebrate as a class and review what the color and symbol represent. Continue the game until all matches have been made or as time permits.
