# Lesson Review Questions

**Purpose:** To review previous lessons and to assist children who don't attend regularly to become familiar with previous lessons.

**Suggestion:** Include questions from the previous week's Tracker Jr. (activities, missions, etc.) to encourage kids to do it. Reword questions to better suit the developmental age level of the children you're working with or to better fit the game/activity. They can be revised to be multiple choice, true or false, or fill in the blank. The purpose of the review questions is to reinforce what children have learned, not to stump them. Incorrect answers should always be kindly and positively corrected, so all children clearly hear the correct answer.
